Reporting Questions

Progress Report

1. What are your organization's key achievements during this period? Please be brief and concise.
2. What barriers or challenges, if any, did you experience during this period?
3. Do you have any concerns about meeting the goals you have identified for this year?
4. What trends/issues/challenges are you seeing in the field that have captured your attention?
5. Is this grant from CEF triggering any new compliance and/or reporting requirements for you?
6. Is there anything else you would like the Children's Equity Fund to be aware of, so we can better support your organization, as the work moves forward?
7. Would you like to request a renewal of funding from CEF for the upcoming term?

Final Report

1. What was your intent for this grant vs. your impact? If the actual results differ from the intended results, what factors influence the difference?
2. What did our contributions enable you to do that you otherwise couldn't have done or been able to do as well?
3. What did you learn through the past year?
4. How have you intentionality incorporated community voice and engagement into your decision making, priorities, and how you carry out your policy and/or lobbying efforts?
5. What made our relationship successful? What was a challenge? What would make the relationship better?
